This is Rabbalshede Kraft

Rabbalshede Kraft AB (publ) plans and establishes proprietary land-based wind farms, in collaboration with other players or for divestment whereby the Company is able to offer operating services. Rabbalshede Kraft was formed in 2005 and currently manages 186 wind turbines of which 101 turbines are own or co-owned. The electricity produced from the Company's wind farms in operation is sold in the open electricity market, Nord Pool. Follow the Company's progress at www.rabbalshedekraft.se
