Saab signs contract with FMV regarding Gripen

Defence and security company Saab has received an order from the Swedish Defence Material Administration, FMV, for the continuous support of Gripen's operational capacity. The order amounts to 120 MSEK.

The order includes for example technical support, product maintenance, flight testing and running simulators to support the operational capacity of the Gripen system. Work will be carried out during the first quarter of 2010.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
