## Saab receives order from FMV regarding development of existing Gripen system

Defence and security company Saab has received an order from the Swedish Defence Material Administration (FMV) regarding development of the existing material system 39 (edition 19). The order amount is 152 MSEK.

The order consists of development work in Gripen C/D, for example enhanced working environment in the cockpit. The work will be carried out in 2011 and 2012.

*Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.*
