Dan-Åke Enstedt to AerotechTelub

Dan-Åke Enstedt has been appointed as deputy MD of AerotechTelub in the executive management and with special responsibility for the consultancy operations within AerotechTelub.

Dan-Åke Enstedt comes most recently from EssNet where he is Group President and MD. He has a previous background within Telub, Enator and TietoEnator. During his time in Enator and TietoEnator he was the MD of Dotcom, business area manager of Enator Drift and Support, business area manager of TietoEnator Processing Network Support and a member of the Group management. Dan-Åke Enstedt will commence his appointment on 1 October.

AerotechTelub

AerotechTelub is a service company which offers qualified technical services, maintenance and customer-adapted system solutions within information technology, electronics and aviation technology for the military and civil defence, government departments and public authorities as well as selected sectors of trade and industry.

AerotechTelub has 2,600 employees and a turnover of ca SEK 2,4 billion.

AerotechTelub is jointly owned by Saab, (57 %), one of the world's leading high-technology companies, and the IT company TietoEnator (43 %).
