## Kenth-Åke Jönsson to become new President of Saab business area

**As previously agreed upon, Jan Eiborn will leave his post as President of the Saab Group's business area Technical Support and Services this spring. He will then join Saab's Group Management Team, where he will handle strategic matters.**

Kenth-Åke Jönsson will take over as President of the business area.

Kenth-Åke was born in 1951 and his previous career includes posts as President of the then Telub AB, Vice President of the then Enator, and Vice President of TietoEnator. Kenth-Åke is joining us from 3i, an English investment company where he is currently Managing Director for Swedish operations.

The exact dates at which Jan Eiborn and Kenth-Åke Jönsson will take on their new posts will be announced later.

*Saab is one of the world's leading high-technology companies, with its main operations focusing on defence, aviation and space. The group covers a broad spectrum of competence and capabilities in systems integration.*
