## Saab Capital Markets Day on 10-11 September 2012

Please make a note in your diary for Saab's Capital Markets Day on 10-11 September 2012.

The agenda for the days will start at 10.30 (CET) at Bromma airport from which all participants flying in to Gothenburg from Stockholm will be transported to Saab's operations in Gothenburg. Here, Saab's CEO Håkan Buskhe, along with representatives from selected business areas, will hold presentations. This will be followed by a dinner and boat tour in the evening.

On 11 September, participants will get product demonstrations and a tour of our facilities in Gothenburg. We will thereafter offer a flight back to Bromma airport around 12.00 (CET) on September 11.

Accommodation will be arranged by Saab.

A detailed agenda and logistics information will follow in August 2012.

*Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.*
