## **SaabTech Systems has received an order for Sonar Systems worth SEK 400 million**

The Sonar System is especially adapted for the Baltic Sea environment and will be integrated with the Mission Management System from SaabTech Systems, which will be installed in the Anti Submarine Warfare (ASW) version of the Swedish Armed Forces' new Helicopter 14.

*Saab is one of the world's leading high-technology companies, with its main operations focusing on defense, aviation and space. The group covers a broad spectrum of competence and capabilities in systems integration.*
