## Saab Aviocomp and LOT Polish Airlines sign Component Service Agreement for Embraer ERJ

**Saab Aviocomp AB, Sweden strengthens its leading position as supplier of component service for the Embraer ERJ family of aircraft.**

The agreement includes the entire component repair and overhaul services covered by the extensive capability of Saab Aviocomp and related engineering support. It covers the total ERJ 145 fleet of LOT Polish Airlines, at present 14 aircraft, and has an expected annual value of 10 MSEK.

*Saab Aviocomp AB is active in the service of components for medium-sized civil aircraft. Customers consist of a large number of airline companies around the world.*

*Saab is one of the world's leading high-technology companies, with its main operations focusing on defence, aviation and space. The group covers a broad spectrum of competence and capabilities in systems integration.*
