Ingemar Andersson new executive vice president of Saab AB

As announced earlier, Åke Svensson will accede as the new president of Saab AB on Monday, July 14. Ingemar Andersson was appointed as executive vice president of Saab AB at today's regular board meeting.

The move gives Saab two vice presidents. Göran Sjöblom is executive vice president for operational activities, while Ingemar Andersson is executive vice president for business activities.

Ingemar Andersson is currently the business area manager for Saab Bofors Dynamics, and also heads Saab International. Ingemar is 51 years old and has held executive positions at FFV, Bofors, the Celsius Group and the Saab Group.

Saab is one of the world's leading high-technology companies, with its main operations focusing on defense, aviation and space. The Group covers a broad spectrum of innovative competencies and systems integration capabilities.
