Saab Aviocomp signs a Flight Hour Price Agreement with Mandarin Airlines for Fokker 50

Saab Aviocomp AB, Sweden, together with partner has won another deal further consolidating its solid position as the major supplier of component services for Fokker 50 operators.

The agreement covers seven Fokker 50 aircraft. The services will be supplied in a joint venture with partner.

Jan-Ingvar Johansson, President of Saab Aviocomp, states that this contract once again shows the confidence from the regional operators for our component service constellation and consolidates its position as a leader on the Fokker 50.

Saab Aviocomp AB is active in the maintenance and repair of components for medium-sized civil aircraft. Customers consist of a large number of airline companies around the world.

Saab is one of the world's leading high-technology companies, with its main operations focusing on defence, aviation and space. The group covers a broad spectrum of competence and capabilities in systems integration.
