Saab Bofors Underwater Systems becomes Saab Underwater Systems

The Saab subsidiary Saab Bofors Underwater Systems AB is now changing name to the short and powerful Saab Underwater Systems AB.

Saab Underwater Systems is one of the world leaders in the area of underwater systems, with special focus on shallow and difficult underwater environments. The company focuses on sensor systems, precision engagement systems, remotely operated and autonomous underwater vehicles, i.e. ROV:s and AUV:s.

Saab is one of the world's leading high-technology companies, with its main operations focusing on defence, aviation and space. The group covers a broad spectrum of competence and capabilities in systems integration.
