Saab sells Celsius Fastighets AB

In selling its shares in Celsius Fastighets AB, Saab has sold the Hamnen 21:149 property in Malmö, Sweden, to Peab. The property encompasses the original inner Kockums area of Malmö. The deal has no impact on Saab's financial results.

"We consider Peab a suitable buyer of the property, and the sale entails further refinement of Saab's operation," says Saab Executive Vice President Jan Nygren.

Saab is one of the worlds leading high-technology companies, with its main operations focusing on defense, aviation and space. The Group covers a broad spectrum of competence and capability in systems integration.
