## Saab Dynamics has received order from Denmark

Saab Dynamics has received an order from the Danish Air Materiel Command for upgrading of HeliTOW systems on the Danish Army's Fennec anti-tank helicopters. The order value is about DKK 200 million.

Upgrades and modifications of the Saab HeliTOW systems will take the helicopters and its sighting systems to full day-and-night capability. The helicopters will also be equipped with an eye-safe laser range finder.

Saab is Northern Europe's leading high technology company and operates within the defense and aerospace areas and offers leading-edge products and systems built on sophisticated information technology. Its business areas are Infomatics, Aerospace, Dynamics, Technical Support & Services, Space and Aviation Services.
