Substantial order awarded to Saab Barracuda for multispectral, mobile camouflage systems

Saab Barracuda AB has been awarded a substantial order from the Defence Material Administration (FMV) for multispectral, mobile camouflage systems. Order value approximately SEK 75 million.

The Barracuda Multispectral, Mobile Camouflage System, MCS, is an advanced product with very good capabilities within the thermal, radar, near infrared and visual wavelength areas. With MCS, soldiers as well as vehicles get the optimal protection against reconnaissance and hit.

Delivery will take place over a period of three years with final delivery in September 2002. The contract includes an option for deliveries after 2002.

Saab Barracuda AB in Gamleby is a company within the Saab Group. Saab Barracuda AB develops, produces and markets signature management products and services for protection against detection and identification. The company, with subsidiaries in four countries and customers and representation in 40 countries, is the world leader within its field.

Saab is northern Europe's leading high technology company, mainly active in the defence, aviation and space industry, and offers advanced products and systems based on sophisticated information technology. The business areas within Saab are Infomatics, Aerospace, Dynamics, Technical Support and Services, Space and Aviation Services.
