Saab gives notice to 43 employees in USA

Saab Barracuda is restructuring its operations in Lillington, USA. The restructuring results in the layoff of 43 employees.

The restructuring is necessary to match current market demands, and the decision to give notice to 43 employees comes after a comprehensive review of the company's operations. The employees affected will be offered transition support services.

Saab Barracuda LLC manufactures a variety of static, mobile and personal camouflage systems, as well as heat reducing products for the U.S. Department of Defence.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
