Saab collaborates with the Swedish Security Services and the prosecutor in investigation of industrial spying

A person has illegally gained access to documents regarding the operations of Saab Microwave Systems.

Since the incident was discovered, Saab has actively collaborated with the Swedish Security Services and the prosecutor to provide support. One man was apprehended yesterday in Gothenburg. The prosecutor is investigating the incident and Saab will make no further comments on the matter whilst the investigation is in progress.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
