## Invitation to Saab Capital Markets Day

Welcome to Saab's Capital Markets Day Friday September 5. The main topic of the day is civil security.

The market for civil security is growing and Saab is one of the big players in the field. Listen to Gunilla Fransson, President for Saab Security, when she tells more about present projects and about the future for civil security.

Lennart Sindahl, Executive Vice President and head of the business segment Aeronautics, describes Saab's activities within aeronautics and the current market possibilities for Gripen. Peter Wimmerström, President for Saab Systems, depicts Saab's position within the field of command and control. Björn Erman, President for Saab Avionics, tells about the activities within avionics and electronic warfare.

The day ends with a demonstration of Saab's Capability Development Centre and a plant tour.

Please register no later than Wednesday September 3.
