Saab signs contract worth more than 10 million Euro

Saab signed a contract concerning life time extension of the BILL anti-tank missile system. The order value is approximately 10 million Euro (approx. SEK 104 million).

The contract means that the customer will be retaining the Saab-developed anti-tank missile system capabilities for at least a further 10 years.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
