## Saab signs contract within civil security

The defence and security company Saab has signed a contract, valued at MSEK 700, within the civil security area.

The contract, which runs over four years and comprises/includes a number of installations, is a part of Saab's efforts in developing solutions for protection of important public institutions and critical infrastructure.

For confidentiality reasons, the customer will not be announced.

*Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.*
