Saab AB utilizes repurchase authorization to hedge the company's Share Matching Plan and Performance Share Plan

The Annual General Meeting 2009 of Saab AB (Saab) resolved to authorize the Board of Directors to decide to repurchase the company's shares in order to hedge the company's Share Matching Plan and Performance Share Plan. Saab is announcing that the Board has decided to utilize its authorization for this purpose.

Acquisitions will be made on Nasdaq OMX Stockholm at a price within the registered share price interval on each occasion.

Acquisitions can be made as of 28 July 2009 until next year's Annual General Meeting. However no acquisitions will be made during a 30-day period prior to the public release of quarterly results, including the date of release.

Saab holds 2,314,030 own shares as per 31 May 2009. The total number of outstanding shares in the company is 109,150,344. The maximum number of shares now intended to be repurchased is 1,340,000.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
