Saab's annual report 2011 available on the website

Defence and security company Saab's annual report 2011 is from today available on the company's website.

The annual report describes, among other things, Saab's business, strategy and financial development, and is available on www.saabgroup.com under Investor Relations, Financial Reports.

The printed version will be distributed to the shareholders who have requested it during week 12 and it can also be ordered through Saab.

Saab serves the global market with world-leading products, services and solutions ranging from military defence to civil security. Saab has operations and employees on all continents and constantly develops, adopts and improves new technology to meet customers' changing needs.
