ComActivity Signs Multi–Site Contract with Alcro–Beckers

"After using ComActivity for nine months we have become more and more certain that it is the best way to turbo–charge our Movex Java implementation while at the same time being able to do it without touching the code. We like this approach as we also like the composite applications that comes out as a result," says Ulf Ericsson, IT–manager with Alcro–Beckers, Sweden's largest paint manufacturer.

PRESSRELEASE September 23rd, 2006

Using hand–held terminals for physical stock take, production reporting, order entry and numerous of application integration issues are top priorities for Alcro–Becker and the plan is that they should all be live by the end of the year. "Customer wants is what drive us and we are very happy to work together with Alcro–Beckers," says ComActivity's customer responsible Rikard KH Trozell.
