

Boss Media signs license agreement with established online casino operator

January 12, 2001

Boss Media AB has signed an agreement to develop an Internet casino for Global Interactive Ltd. Since the start in early 1998 Global Interactive has risen to become a mayor online casino operator.

This is Boss Media's first sale to a company that already operates an Internet casino. The company wishes to alter its casino software platform.

The software for the Internet casino will be based on Boss Media's acclaimed multi-player software platform, and is scheduled to go live on the Internet during the spring 2001.

Boss Media has now sold a total of 35 casino software licenses since its first sale in 1998.

*The Group **Boss Media AB (publ)** is one of the leading providers of turnkey solutions for casino operations on the Internet. Potential licensees are offered a customized client-server system, an integrated payment system and the maintenance and administration services necessary for the daily operation of an Internet casino*
