HiQ signs general agreement with Tele 1 Europe in Norway

HiQ is signing a general agreement for 2001 with telecoms operator Tele 1 Europe in Norway. The agreement applies to consulting services in the fields of management and project management.

Tele 1 Europe's business concept is to offer the best broadband solution for data, voice and the Internet to large and medium-sized companies in the Nordic region.

"HiQ has worked with Tele 1 Europe since 1998 and views this operator as an interesting player in the telecoms market with whom we are keen to continue collaborating. HiQ has longstanding experience of the markets on which Tele 1 focuses, i.e. billing, IP telephony and 3G mobile telephony," says John Kolsvik, Managing Director of HiQ A/S.

HiQ currently works with Tele 1 in both Norway and Sweden.

"We follow our customers abroad and continue to offer them top-quality consulting services. Tele 1 Europe is a Nordic player whom we are keen to follow internationally," says Lars Stugemo, CEO of HiQ International.
