

PRESS RELEASE

Nefab signs global agreement with Alcatel

Nefab has signed a global co-operation frame agreement with the French telecom equipment producer Alcatel. The agreement means that Nefab, as a first tier supplier, will work actively to support Alcatel in further reducing its logistics costs. Nefab will provide Alcatel with know-how within the packaging area and deliver complete packaging solutions.

Alcatel is active in 130 countries and is one of the major telecom equipment producers in the world.

Nefab's sales to Alcatel for year 2000 amounted to about SEK 50 M. The global agreement with Alcatel means to Nefab a possibility for a significant growth of the sales volume.
