

PRESS RELEASE 1/2001

January 22, 2001

Clarification about registered changes in insider holdings regarding Johan Björkman

During the day, misleading information has been published in the insider register at the Swedish Financial Supervisory Authority. It regards changed holdings in legal person tied to Johan Björkman, who is registered insider in several stock market companies.

The significance of this message is that all those holdings are unchanged.

The reduced registered holdings refer to holdings in Skanditek Utveckling AB, which is a wholly owned sub-subsidiary of Skanditek Industriförvaltning AB in which Johan Björkman is insider.

The only change that has occurred, is a corporate merger between Skanditek Utveckling AB and its parent company Skanditek AB. Of this reason, shareholdings have been transferred from one custody to another at the securities brokerage company. Due to their automatic reporting to the Swedish Financial Supervisory Authority, only one entry of each transaction has been reported.
