

PRESS RELEASE

Danderyd December 4, 2009

New CFO and VP Sales & Marketing in Ortivus AB

Magnus Nordgren has been appointed new CFO of Ortivus AB. Magnus Nordgren was most recent CFO of Gas Turbine Efficiency plc. Magnus Nordgren has extensive experience in finance, business administration and controlling from several companies. The duties will begin after the end of the year. Current CFO Håkan Cranning proceeds to a position as CFO of Duroc AB.

To strengthen Ortivus international effort in the pre-hospital market for clinical decision support Carl Ekvall has been appointed new head of Ortivus Sales and Marketing for MobiMed. Carl Ekvall had most recently the position of Managing Director of Handelshuset Medic, and previously from Neoventa Medical. Duties will begin immediately.
