

Media Briefing Invitation

Media Briefing Invitation – 13th January 2010

The inquest into the death of 70 year old David Gray who died following an overdose of Diamorphine administered by an overseas doctor during an out-of-hours visit at his home begins on Thursday 14th January in Wisbech, Cambridgeshire. Anthony Collins Solicitors are representing the family.

In view of the extensive media interest in this story, we are holding a press briefing at our offices at 134 Edmund Street, Birmingham, B3 2ES on **Wednesday 13th January at 8am** to which you are invited.

At this stage, we are only inviting a small select group of key media who are likely to be interested in this story and the wider implications for patient safety.

The briefing will be attended by the two solicitors, Inez Brown and Tony Hall, who are handling the case for the family. They will provide further information and be able to answer your questions.

Light breakfast will be provided.

In order for us to make the necessary arrangements, please could you confirm to me by email (simeon.ling@anthonycollins.com) whether or not you will be able to attend by return of email?

If you require any further information at this stage, do get in touch. In the meantime, I attach our press release and accompanying briefing notes.
