

181 376 EasyConnect activations in March

(Oslo, April 12, 2010) **Birdstep Technology ASA reported 181 376 EasyConnect activations in March 2010.**

181 376 new customers activated their EasyConnect software in March 2010 compared to 142 652 in March 2009. The March activation figure represents a 16 percent sequential increase compared to February 2010, and a 27 percent year on year increase compared to March 2009.

The activations apply to EasyConnect Go and EasyConnect Advanced products, Birdstep Technology's solutions for mobile broadband connectivity through USB modems. Birdstep Technology's embedded solution for laptop manufacturers, EasyConnect Inside, is not included in the figures.

2010 Actuals	jan	feb	mar	apr	may	jun	jul	aug	sep	oct	nov	dec
