PRESS RELEASE:

Everton 2009/10 Season Review DVD Release Announced

The 2009/10 season was very nearly an incredible story for Everton, and was a campaign in which fans witnessed some astonishing football and a strong team spirit which will give the Toffees real hope ahead of 2010/11. With the release of the official Season Review DVD fans will recall a how the team overcame a difficult start to the campaign with a squad ravaged by injuries which left Everton with a mountain to climb in their attempts to qualify for Europe... and they almost managed it.

From November onwards David Moyes' men were in terrific form and during a great run of results they chalked up fantastic wins over Chelsea, Manchester United and Manchester City...twice! With all of the drama captured in the season review DVD, this is a campaign that was packed with incident as fans will enjoy the return to action of Mikel Arteta and Phil Jagielka, the successful loan spell for Landon Donovan, and the exciting high-scorings games at Arsenal and Chelsea.

As well the action from all the other games from a pulsating season, included in the DVD is exclusive footage from the Everton End of Season Awards night and the memorable 1985 Reunion Dinner which is not to be missed!

The Everton 2009/10 Season Review is the essential look-back at another roller-coaster campaign at Goodison Park and is available to order now from official Everton stores and evertondirect.com RRP £12.99.

==Ends==
