Press release 15 June 2010

Mekonomen strengthens its store and workshop network

By 2012, Mekonomen shall have 50 Mega and 110 Medium units, with store and workshop on the same premises, as well as 2,000 workshops that are affiliated to Mekonomen Service Centre Plus, Mekonomen Service Centre and MekoPartner in Scandinavia.

“The success of our Mega and Medium units, as well as our affiliated workshops, is stimulating us. We want to be closer to customers and will have a comprehensive network in all local markets throughout Scandinavia by 2012. By opening more units and workshops, we will be able to offer consumers and corporate customers significantly better availability,” says Håkan Lundstedt, President and CEO of Mekonomen AB.
