Barney Bear's Safety

Stay safe with

Guardian's Name: _____
Mobile Contact: _____
Date: _____

Hello Friends and welcome to my safety passport.

The Trafford Centre is a very big place.

Sometimes, children can get lost inside and when this happens we know just what to do.

**stop, stand
still and look around**

-  If you can see the person you came with, go straight back to them and hold their hand.
-  If you can't see the person you came with, don't worry, we will find them for you!
-  If you are lost inside a shop, go straight to the till and tell someone there.
-  But if you are outside the shops, then look for one of Barney's friends.
-  If you can't see Barney's friends go into the nearest shop and ask for help.

Remember!

-  Don't go outside - you are safe indoors.
-  Don't talk to strangers - look for Barney's friends.
-  We will find the person you came with and you will not be lost any more.

Barney's friends look like this:

They wear red coats and have name badges on.

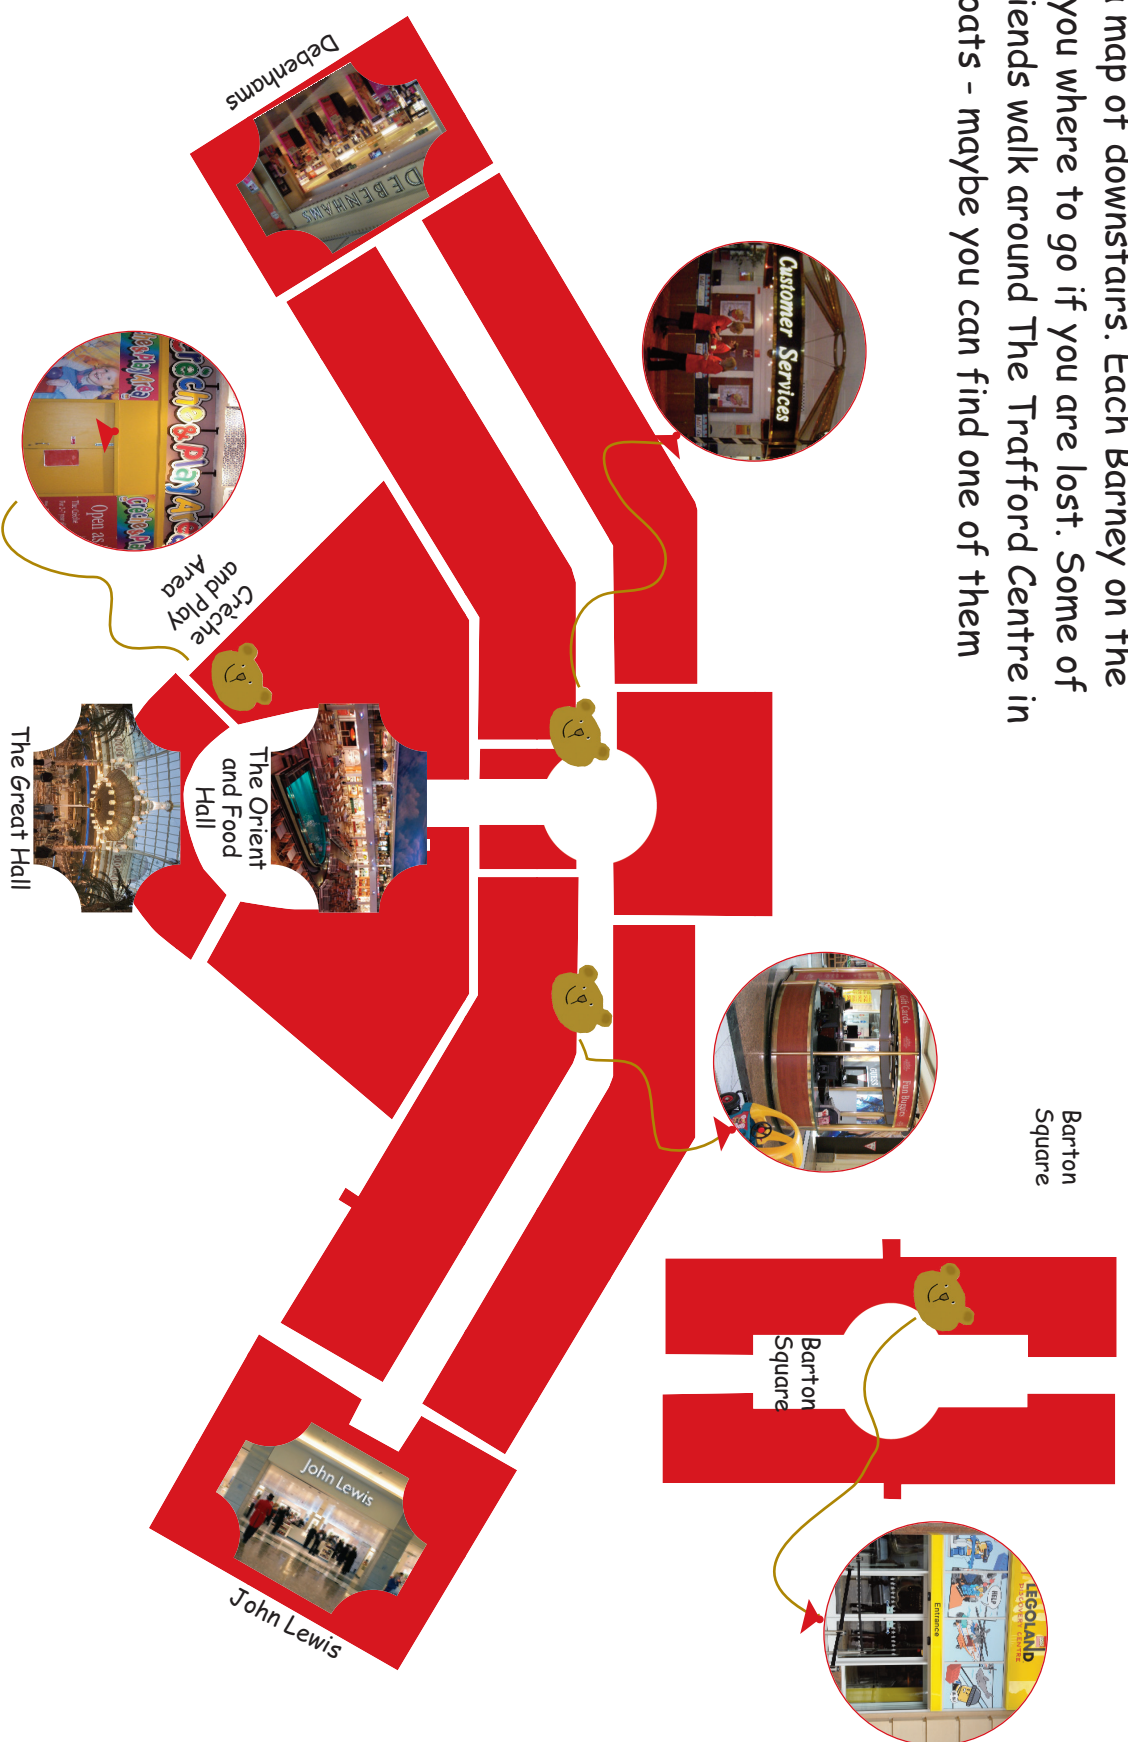

If you are lost, try to find one of Barney's friends using your special map!

Turn this page to see your map... 

Barney Bear's Map.

 This is a map of downstairs. Each Barney on the map shows you where to go if you are lost. Some of Barney's friends walk around The Trafford Centre in their red coats - maybe you can find one of them first?

Adults: For more information on child safety at The Trafford Centre, see the Customer Services section of our website, at: www.traffordcentre.co.uk
