PRESS RELEASE

HOW MUCH MONEY CAN YOU SAVE WITH THE G-*SAVE* BOILER ECONOMISER?
Use the savings calculator to find out...

London, 21 June 2010 – We're not just saying it – we can prove it!

With the spiralling cost of gas, take advantage of g-*save* boiler Economiser and save up to 31% on your annual gas bill.

Producing the best results on fully-pumped systems (central heating boiler + hot water cylinder + room thermostat + programmer = a fully-pumped system) the g-*save* is the most efficient and cost effective way to reduce your annual gas bills.

But don't just let us tell you, try out the g-*save* calculator (www.gas-elec.co.uk/gsave) and see how much money you could save.

The g-*save* boiler Economiser is winner of the Good Housekeeping magazine 'Green Living Award 2009' and runner-up in the 2009 Green Business Awards 'Green Product' category.

The g-*save* boiler Economiser is user friendly and easy to install and you will see the benefits almost immediately. For only £99 (incl. VAT and P&P) start saving today.

Editor's Notes
Founded in 1996, gas-*elec* carries out impartial safety inspections and light remedial works. Its unique inspection service provides the residential lettings market and homebuyers and sellers with multiple inspections of the gas and electrics in one visit. gas-*elec* has recently launched a number of new energy-saving products and services. These include the g-*save* Economiser, which reduces fuel bills by up to 31% and a consumer comparison website (ge-*switch*) that offers users the widest range of energy suppliers in order to compare their gas and electricity prices. gas-*elec* has over 130 franchisees operating from 18 regional offices, who this year will carry out more than 120,000 safety inspections in domestic properties throughout the UK. For more information visit www.gas-elec.co.uk.
