In its capacity as issuer, Pricer AB is releasing the information in this press release in accordance with the Swedish Securities Exchange Act (2007:528). The information was distributed to the media for publication at 16:00 hrs CET on Wednesday June 30th, 2010.

Pricer provides the retail industry's leading electronic display and Electronic Shelf Label (ESL) platform, solutions, and services for intelligently communicating, managing, and optimizing price and product information on the retail floor. Pricer is the only company today offering a communication platform that supports both segment based ESL and pixel-based ESL. The platform is based on a two-way communication protocol to ensure a complete traceability and effective management of resources. The Pricer system significantly improves consumer benefit and store productivity by simplifying work in the store.

Pricer, founded in 1991 in Uppsala, Sweden, offers the most complete and scalable ESL solution. Pricer has about 5,400 installations in more than 40 countries with the largest ESL world market share. Customers include many of the world's top retailers and some of the foremost retail chains in Europe, Japan and the USA. Pricer, in co-operation with qualified partners, offers a totally integrated solution together with supplementary products, applications and services.
