Norwegian retail chain chooses MultiQ's point-of-sale screens

MultiQ has received an order from a Norwegian retail chain. The order relates to screen solutions for a point-of-sale system, and is worth just over SEK 2 million.

A Norwegian retail chain has placed an order worth just over SEK 2 million through MultiQ's partner, Visma Retail AS. MultiQ will equip the chain's stores with a dual-screen solution for greater interaction with its customers. Delivery will be made during the third quarter of 2010.

"Our partnership with Visma Retail has generated excellent results during the second quarter," says Anders Laurin, CEO of MultiQ. "This order will introduce our products to yet another Norwegian retail chain, strengthening our position further."

MultiQ is required under the Securities Markets Act to make the information in this press release public. The information was submitted for public publication on 30 June 2010 at 10.15 am.
