

Invitation to Cardo's Capital Market Day november 25 2010

Cardo welcomes analysts, investors and the media to a Capital Market Day on Thursday November 25 2010.

The Capital Market Day will be devoted to presenting the business within Cardo and the main focus will be on the two divisions, Cardo Entrance Solutions and Cardo Flow Solutions, and their solutions to the greatest challenges of our time – the shortage of clean water, efficient transportation and reduced energy consumption. Furthermore, Cardo's work to achieve success through the concepts of commercial, operational and innovation excellence will be explained as well as the new financial targets for the business.

"Cardo is continuing its long-term, strategic process of change aimed at being a Group that supplies solutions to help solve the global need for clean water, efficient transportation and reduced energy consumption," says President and CEO Peter Aru.
