

CellPoint announces Third Quarter Reporting Date

London, April 26 -- CellPoint Inc. (**Nasdaq: CLPT**) will report its fiscal third quarter results for the quarter ended March 31, 2001 on Monday, April 30 before the Nasdaq market opens.

CellPoint Inc. (Nasdaq and Stockholm OM Exchange: CLPT, www.cellpoint.com) is a US company with subsidiary operations in Sweden, Great Britain and South Africa delivering location and wireless telemetry services in cooperation with cellular operators worldwide. CellPoint's end-to-end cellular location technology is a high-capacity system that works in unmodified GSM networks and uses standard GSM or WAP phones and standard Internet services. Several commercial applications are available for business and personal location services including Resource Manager™ for mobile resource management, iMate™ for location-sensitive information and Finder™, an application for locating friends and family. Subsidiary Unwire's programmable telemetry terminal servers are also integrated with the CellPoint System Platform enabling a broad range of applications for wireless remote management and control.
