## NCC secures contract worth SEK 220 million to build office and storage premises for Riksbanken

**NCC Construction Sweden has been commissioned by Sveriges Riksbank (the Central Bank of Sweden) to build new offices, with associated storage premises, in Sigtuna, north of Stockholm. The order value is slightly more than SEK 220 million.**

Work on building the new office and storage premises for Riksbanken will commence in mid-December 2010 and is scheduled for completion in August 2012. An average of about 40 people will be employed in the project.

Order registration will take place in the fourth quarter of 2010.
