#### **About Arise Windpower**

Arise Windpower is one of Sweden's leading land-based wind power companies. Arise Windpower's business concept is to sell electricity produced by its own land-based wind turbines in southern Sweden. The company's goal is to commission approximately 300 wind turbines by 2014 which will produce around 2 TWh of environmentally friendly electricity per year. Arise Windpower is listed on NASDAQ OMX Stockholm.
