TRISTAN LEOSTAR LAUNCHES "TRISTAN/POWERS" CASTING DIVISION

Los Angeles, CA (April 12th, 2011)— Tristan Leostar Films, a motion picture production company specializing in the development and production of feature films, announced today the launch of "Tristan /Powers Casting". Tristan/Powers Casting will focus on developing new projects for Tristan Leostar Films and will also serve as the in-house Casting division for all their feature film projects. Brandon Powers will spearhead the New York branch of the casting and development division.

The company is currently in pre - production of Paranormal Thriller "2 AM", with principle photography beginning 2nd quarter of 2011. "Director and Star attachments will be announced in the upcoming weeks," reveals Tristan Leostar Films CEO and Producer Dina Almeida.

Aiming to work in association with the best independent filmmakers and producers, Tristan Leostar Films strives to feature A-list and upcoming talent, directors, and writers. Tristan Leostar Films is a vertically integrated motion picture production company specializing in development, co- financing, licensing, casting, and production of high quality independent feature films.
