

Press release

17/9/01

New Director of Corporate Communications at Cell Network

Robert Karlsson was today appointed Director of Corporate Communications of Cell Network. Robert Karlsson was previously responsible for Investor Relations at Cell Network, a position he will still keep. Robert Karlsson will be a member of the Executive Group of Cell Network

Robert Karlsson has been with the Cell Network Group since 1999. Prior to joining Cell Network, Robert Karlsson worked for the listed Investment Company ORESA Ventures. He also spent four years with KPMG, including a posting in St. Petersburg. Robert Karlsson has an M.Sc. in Business Administration from the Stockholm School of Economics.

Robert Karlsson replaces Anders Lugn, who held the position of Director of Corporate Communications on a limited consultant assignment.
