

Press Release - 12 October 2001

Former CEO of Resco reappointed as CEO

Further to a resolution of the board of directors, Kjell Jacobsson has today been appointed CEO of Resco after having been Acting CEO and Chairman of the Board for almost one year.

Kjell leaves the position of Chairman of the Board at the same time as Jan-Olof Engström, who is already a Board member, takes over as new Chairman. Our recruitment efforts to find a new CEO shall continue.

– Our objective is to recruit a new CEO, but the task has been more difficult than we first expected. I shall remain in my current position until the Board has found the right person. Our demands are very high and we are being very stringent in our search, says Kjell Jacobsson, CEO of Resco.
