PRESS RELEASE

TDK MEDIACTIVE SELECTS STARBREEZE TO DEVELOP NEW TITLE

O3 Games and TDK Recording Media Europe S.A sign Development Agreement

Luxemburg/Uppsala – 15 March 2002/... TDK Mediactive Europe, a division of TDK Recording Media Europe S.A., announced today a development agreement with O3 Games for its development studio Starbreeze to create the computer game "Templar".

"Templar" is a third person action adventure and will be available for PC and next generation platforms.

Daniel Benitez CEO of O3 Games said: "Several world-leading publishers were immediately interested in the Templar concept. We chose to develop the product in collaboration with TDK as they are one of the most talented and progressive publishers in the industry."

Andreas Kaehmer, Senior Manager Marketing and Business Development said: "We are very excited about the new project. Templar combines a in-depth storyline which relates to ancient myths and modern conspiracies with state of the art technology, detailed visual worlds and exciting gameplay."

The release of "Templar" the title is currently scheduled for the Q4 2003 sales season.
