**WIN £50,000 WITH *THE DAILY TELEGRAPH* FANTASY FOOTBALL
WORLD CUP**

The Daily Telegraph is offering football fans nationwide the chance to win £50,000 in Telegraph Fantasy Football World Cup, the fantasy-based football game played in *The Daily Telegraph* and online at **worldcup.telegraph.co.uk**.

To play, entrants select a fantasy team whose players will score points for matches played, goals scored and clean sheets, but could lose points for goals conceded and bookings. Telegraph Fantasy Football World Cup can be played by individuals or by groups as part of a Super League, which gives entrants the chance to compete directly against friends or work colleagues.

Teams can be registered for £5 by post using the in-paper application forms or online at **worldcup.telegraph.co.uk** until midday on Friday, May 31. From June 5 onwards, entrants will be able to make up to eight changes to their fantasy team by phone or online.
