Press Release

Hotellinx represented by Value Partner Brantas International Technology Ltd in New Zealand and Fiji

Turku, Finland – 16.05.2002 – Hotellinx Systems Ltd. today announced the appointment of Brantas International Technology Ltd. based in Auckland, New Zealand as their partner and certified distributor for New Zealand and Fiji.

We are very excited about this relationship with Brantas International Technology Ltd., says Ilkka Paloheimo, Managing Director of Hotellinx Systems Ltd., as they have a team of senior industry specialists with a strong hospitality management and information technology background and experience, ensuring solid representation of Hotellinx in this market of great potential.

Brantas International Technology Ltd. offers the entire suite of Hotellinx cutting edge technology products to Hotels, Motels, Inns, Bed and Breakfasts as well as Serviced Apartments.

After the evaluation of various competitive solutions, we have chosen to represent Hotellinx Systems Ltd., as they offer the most comprehensive suite of solutions in the market today, allowing Hospitality Operators in the region access to software, which enables them to run their operations efficiently and make use of the broad spectrum of internet distribution and property management technology available, developed and supported by one company, says Jan Willem Strijker, Director of Brantas International Technology Ltd.

###

About Hotellinx Systems Ltd.

Hotellinx Systems Ltd. is specialized in developing computerized hotel management services that not only cover daily hotel operations, but in a guest-oriented way also include reservations for meeting rooms, restaurants and golf tee times with a customer's room reservation. Through its distributors network, Hotellinx is represented in Europe, Asia, USA and Africa.
