

## **YEOMAN Group plc in agreement with Hertz UK**

YEOMAN Group plc, the mobile navigation company, has announced that it has entered into heads of agreement with Hertz UK Limited for YEOMAN to provide a co-branded version of its mobile navigation service for Hertz to promote to its car rental customers in Great Britain.

This is one of a number of commercial agreements on which YEOMAN is working to widen the customer base for its world leading mobile navigation service, delivering routing, traffic and turn-by-turn navigation to conventional mobile phones. YEOMAN anticipates giving further details of this proposed agreement and others together with its interim results announcement on Thursday 27 June 2002.
