Elanders AB (publ)

Elanders and France Télécom/Pages Jaunes have signed an agreement worth MSEK 100

Elanders and Pages Jaunes, Paris, France have signed a contract for the delivery of directories for the next three years until the end of 2005. Elanders and Pages Jaunes have worked together since 2000. The contract has an estimated worth of MSEK 100, not including material.

This deal demonstrates and confirms Elanders' strength and position as a highly competitive partner on the European market where stringent demands are made on quality, capacity and flexibility.
