Skanditek is an industrial holding company owning stock in Swedish unlisted and listed companies. The business concept is to be an active and long-term stockholder and to further the portfolio companies' development by providing industrial and financial competence at board and management level. The portfolio comprises 12 companies within electronics, information technology, biotechnology and services. The major holdings are in Axis (14%), LGP Telecom Holding (9%), Mydata Automation (39%), PartnerTech (40%) and Vitrolife (35%). Skanditek is listed on the Stockholm Exchange's O list.
