DEFINITION OF ASSOCIATE

It is not practicable to define associate in terms which would cover all the different relationships which may exist in an offer. The term associate is intended to cover all persons (whether or not acting in concert) who directly or indirectly own or deal in the shares of an offeror or the offeree company in an offer and who have (in addition to their normal interests as shareholders) an interest or potential interest, whether commercial, financial or personal, in the outcome of the offer.

Without prejudice to the generality of the foregoing, the term associate will normally include the following:—

- (1) an offeror's or the offeree company's parent, subsidiaries and fellow subsidiaries, and their associated companies, and companies of which such companies are associated companies (for this purpose ownership or control of 20% or more of the equity share capital of a company is regarded as the test of associated company status);
- (2) banks and financial and other professional advisers (including stockbrokers)* to an offeror, the offeree company or any company covered in (1), including persons controlling#, controlled by or under the same control as such banks, financial and other professional advisers;
- (3) the directors (together with their close relatives and related trusts) of an offeror, the offeree company or any company covered in (1);
- (4) the pension funds of an offeror, the offeree company or any company covered in (1);
- (5) any investment company, unit trust or other person whose investments an associate manages on a discretionary basis, in respect of the relevant investment accounts;
- (6) a person who owns or controls 5% or more of any class of relevant securities (as defined in paragraphs (a) to (d) in Note 2 on Rule 8) issued by an offeror or an offeree company, including a person who as a result of any transaction owns or controls 5% or more. When two or more persons act pursuant to an agreement or understanding (formal or informal) to acquire or control such securities, they will be deemed to be a single person for the purpose of this paragraph. Such securities managed on a discretionary basis by an investment management group will, unless otherwise agreed by the Panel, also be deemed to be those of a single person (see Note 8 on Rule 8); and
- (7) a company having a material trading arrangement with an offeror or the offeree company.

Paragraphs (1)-(7) are typical cases. Paragraph (8) below is a category to cover associate status not within (1)-(7).

- (8) Other.

Notes

* References to a "bank" do not apply to a bank whose sole relationship with a party to an offer is the provision of normal commercial banking services or such activities in connection with the offer as confirming that cash is available, handling acceptances and other registration work.

References to "financial and other professional advisers (including stockbrokers)", in relation to a party to an offer, do not include an organisation which has stood down, because of a conflict of interest or otherwise, from acting for that party in connection with the offer. If the organisation is to have a continuing involvement with that party during the offer, the Panel must be consulted. Unless the Panel is satisfied that the involvement is entirely unconnected with the offer, the above exclusion will not normally apply.

The normal test for whether a person is controlled by, controls or is under the same control as another person will be by reference to the definition of control contained in the Code. There may be other circumstances which the Panel will regard as giving rise to such a relationship (eg where a majority of the equity share capital is owned by another person who does not have a majority of the voting rights); in cases of doubt, the Panel should be consulted.
