**Anoto Group subsidiary C Technologies AB has received a new order to supply ASIC chips for mobile camera solutions**

C Technologies AB has secured a further order to supply ASIC chips (C Technologies' proprietary System-on-a-chip Argus™) for mobile camera solutions worth USD 3,6 million. The total order value for chips in Q1 2003 amounts to approximately USD 7 million. All units will be delivered and invoiced in the first quarter. In addition there will be future royalties per unit sold.

"The positive development of our mobile camera solutions, which was greatly accelerated in the fourth quarter of last year, is very gratifying and fresh orders for chips indicate a continued keen interest in our technology", says Christer Johansson, President, C Technologies AB.
